

Person or Team Recognized	Team # or Affiliation	Given by Team #	Gracious Professionalism	Helpfulness	Spirit / Enthusiasm	Xtreme Safety	Bringing People Together	Comments
Chris Milczarek, student	20	20	X					Chris helped Team 68's animation to be viewed and judged
Joe Barra, mentor	20	20	X					Mr Barra rounded up the animation teams to view and judge team 68's video
Walter Hickock	67	365	X					Walt Hickock, leader of Hall of Fame HOT Team 67, arranged for a group photos of the three Hall of Fame teams attendind the Rochester Regional
Team 68	68		X	X				
Richard	84	1765			X			
Joe	145	1765			X			Dressing up in a sweet T-Rex costume and showing spirit
Carlos	191	2340	X	X				Carried over vise
X-Cats	191	211-Mrs Mac	X	X	X			My team had left - I was trying to pickup after them - 4 students from 191 came and helped me. Thanks guys!
Jeff Huspen	191	20	X	X			X	Sharing controller parts with us that kept us in the competition - he got them from team 1518
Casey	191	1765		X				His team helped ours and we really appreciate the professionalism and sportsmanship from this team. Thank You.
Peggy Foos	191	365	X					When asked if they could move a row forward to give us more room in the stands, they had no problem with moving and did it quickly
Patrick Singleton & Rachel	229	365			X			First people to join in the dancing and wore kilts
Juli & Lizzie	250	2340				X		Handing out safety info on batteries
Colin	340	365	X	X				For loaning us his awesome remote control so we could try to fix our IR problems
Bryan	340	1743	X	X				They helped us out when we needed surgical tubing
Laura	340	316	X	X				They saw our plexiglass was broken and offered to bring in a new piece for us
Laura	340	1743	X		X			We we allied with them, their team brought a lot of enthusiasm to the field
Ricky	365	340	X	X	X			Very helpful with repairs, build maintenance, and every other thing he could assist with
Shannon	365	1743	X	X				They helped us a lot when our ball knocker broke. We really appreciated it.
Team 365	365	145	X	X				When we didn't have the right size PVC pipe and right brand air cylinder, they gave us what we needed.

Team MOE	365	1713	X	X	X	X	X	Everytime our team has needed help in the pit area, Team MOE has been the first to lend help with ideas, parts, tools, or anything we needed
Ricky Wilson	365	340	X	X	X		X	Ricky was very helpful with the students on my team. We were trying to make modifications to our robot & it seemed like everything we needed he had. He helped with supplies, ideas, & a terrific spirit. By the time the regional was over it felt like he was part of our team. So much so that we gave him a team shirt & made him an honorary GRR member. Thanks Ricky & good luck at Penn State next year.
Peter Shipmen	578	2340			X		X	Led a spirit parade!
Paulina	639	639	X	X	X			She keeps records, is willing to do work, and help out when needed. She organizes materials and is enthusiastic
Antel Spector-Zabustky	639	1713	X	X	X	X	X	Offered to help our team with anything we needed. Also helped with IR programming and our autonomous mode. Helped our team throughout the event
Mike Bortfeldt	1126	2228		X				He helped us work through our hybrid mode problems. He was a great asset to the programming team.
Tom	1503	2340					X	Pointed out a safety issue involving our team
Eric Eckhardt	1511	639	X	X				He was always ready to help out teams with programming problems (1713, 639) and was cheerful and able to explain what was needed or to discuss different possible algorithms
Eric Eckhardt	1511	1551	X	X	X			Programming help at the competition
Eric Eckhardt, Antel Spector-Zabustky	1511	1713	X	X	X	X	X	Offered to help our team with anything we needed. Also helped with IR programming and our autonomous mode. Helped our team throughout the event
Eric LaRose; Dave Banister	1518	20	X	X			X	Donated controller parts that kept us in the competition
Team 1551	1551	211	X	X			X	Our flag fell apart and 1551 lent us the materials needed to fix it. Thanks! Ms Mac Team 211
Erik	1591	2340				X		Promoting safety in the pit (all team) "Be Safer Award"
Doug Hasner	1713	1713	X	X	X	X	X	Doug Hasner has spent countless hours providing guidance, tools, materials, and enthusiasm in the building of our team's robot

Steve Dawes	1713		X	X	X	X	X	Steve Dawes has been awesome as a parent volunteer on our team for the past three years. His support, enthusiasm, and knowledge are second to none.
Matt	1728	1743	X	X				Let us use their supplies. Helped when we were in need
Megan	1743	1765		X				Helping our team with parts
Nikolas Arturo, Martinez-Saroff	1765	2228		X				
Dean	1765	1743	X	X				They allowed us to use their band saw and helped us out a lot
Matt Hatcher, Amy Cunucci	2053	340	X	X			X	Thank you for graciously donating a radio controller to keep us in the competition
Team 2228	2228	20	X	X	X			Creating the Trading Cards
Team 2228	2228		X	X		X		
Kevin DiGirolamo	365 alumni	316				X		Excessive spirit with the team. The PANTS and the cape
Steve Gerhardt	378 Bus Driver			X				Some bus drivers just drop us off. Steve stays and watches our team.
Mr. Wilson	378 parent	378		X				Helped the team with scouting
Jason Rees	424/340	1551	X	X			X	Constant help for our team and being the "go to" guy if we needed help. Machined a part after competition yesterday.
Jason Rees	424/340	365	X				X	Boarded our bus to wish us well in our travels home in the bad weather.
John Schulte	639 Veteran	639		X				Donated countless hours to software development to our team (not robot code). Developed an automated attendance system and public scouting database for us.
Emilio Del Plato	639 Veteran	639		X				Spent countless hours developing a scouting database for our team, making a massive impact on our scouting ability. Also loaned computer equipment to run this.
Maureen Menton	Lead Team Queuer	1930		X				Helped get the team on the field and the inspector to us as soon as we were ready
Justin Stabb, Ryan Paldi	Machine Shop Crew	639		X				They both were willing to do a large amount of work and save our robot this year by machining and welding parts for us
Rob Heslin	Mentor & volunteer	1930		X				Whenever we have a small or big problem that we don't know how to fix, he helps us with all he knows
